

## **Postal Manual Volume V**

### **2. Railway Mail Service (RMS): -**

- The expression Railway Mail Service means the service responsible for the carriage of mails by rail, road, river and air and for the collection and distribution of mails received from Post Offices by Mail Offices and sections.

### **5-A. V-SAT Stations: -**

- Important Head Post Offices are identified as Very Small Aperture Terminal Stations. From these Post Offices, money orders are transmitted using V-SAT technology.

### **5-B. Extended Satellite Money Order (ESMO): -**

- These stations are working as extension counters for booking and transmission of money orders through V-SAT stations.

### **5-C. Hybrid Mail Service: -**

- This involves electronic transmission of written material from one place to another using computer terminals connected through VSAT which can be delivered to one or more than one addressee at the receiving station.

### **9-A. Transit Office: -**

**Basic Pay**

- Any Post Office which is situated on a line of through mail communication and receives and sorts of bags intended for offices in advance, without opening them, is a transit office.
- The bags which are thus forwarded onwards unopened are termed forward bags.
- The transit bags addressed to a transit office are opened there, and the forward bags contained in them are sent onwards, either loose or enclosed in other transit bags.
- The use of a transit office is to reduce the number of loose bags.

### **9-B. Transit Mail Office: -**

- A branch of RMS where closed bags are received and dispatched, sorting of letters is not done in this unit.
- Mail Agent or Mail Guard is in-charge of this unit.
- This can function in number of sets depending upon requirements.
  - E.g. Delhi TMO Set No. 1 – 06.00 to 14.00
  - Delhi TMO Set II – 14.00 to 21.40

**8000661414**

/basicpay

@basicpay

/basicpay

- If TMO is functioning in the night set, the set works throughout the night. One batch of officials who are working on a particular night will not work in the following night.
- Another batch of Officials will work in the following night. Both these batches will alternatively work.

<b>Set</b>	<b>Batch</b>
Set-1 06:00 Hrs to 14:00 Hrs	Batch-A (19:30 Hrs to 08:30 Hrs) Mon, Wed, Fri, Sun
Set-2 13:30 Hrs to 21:15 Hrs	Batch-B (19:30 Hrs to 08:30 Hrs) Tue, Thu, Sat

#### **11-A. Nodal Post Office: -**

- In important cities and towns, some Post Offices are authorized to receive letters from neighbouring Post Offices and sort the mail as per the sorting diagram given by the RMS Superintendents.
- This is to reduce the peak hour pressure in the local sorting offices. Such offices are identified as Nodal Post Offices.

#### **11-B. Central Bagging Unit/ Kendriya Bagging Unit: -**

- This Unit is a branch of RMS Office.
- Here the bundles prepared by the Post Offices/ Mail Offices grouped and enclosed in a direct bag.
- For instance, if there are 80 Post Offices in a city and each Post Office is preparing 20 bundles for 20 Post Offices/ Districts/Circles/Mail Offices.
- All these bundles will reach Central Bagging Unit/KBU in 'L' Bag/'R' Bag.
- KBU/CBU will open the 'L'/'R' bags, group the bundles with reference to the destination, i.e. Circles-wise or District-wise or PO-wise or Mail Office-wise and include them in respective bags for the PO/Sorting Office concerned for delivery/further transmission, as the case may be.

#### **12. Returned Letter Office (RLO): -**

- A Returned Letter Office is established at the Headquarters of a Postal Circle and deals with unclaimed and refused articles and articles without addresses or with undecipherable or incomplete addresses.
- But the concept of RLO at Circle HQ has been changed and now there are only four Zonal RLO which covered all India.

### **226. Definition of weighment System**

- The weighment system is the system in force on Indian Railways, under which closed bags (mail, packet or transit) without limit of weight, are conveyed in luggage vans in the custody of Railway Guards. Mails so carried are charged for, according to weight, at the rate prescribed from time to time. Payment for a regular daily service is made half-yearly, payment for occasional dispatches is made quarterly on presentation of bills supported by vouchers.

### **227. Cases in which the weighment system may be adopted: -**

- When it is known that the bags do not contain cash, postage stamp or postal orders, they may be sent under the weighment system enclosed in mail or transit bags.

### **234. Half yearly weighment of bags: -**

- The mail handed over to the stationmaster on the 21<sup>st</sup> January, and the 21<sup>st</sup> July, of each year must be delivered by a responsible officer of the dispatching office after weighment in the presence of the stationmaster.
- The statement in Form No. M-105 should be prepared in quadruplicate by means of a carbon paper on the statement by the same process.
- If any part of the mail is to be sent by special messenger, it should also be weighed, and included in the total weight on which the half -yearly charge is calculated.
- After all the bags have been weighed, the officer deputed by the Post Office and the stationmaster should sign all the copies of the statement by the carbon process, in attestation of the entries.
- The original and duplicate copies of the statement should then be handed over to the stationmaster and the triplicate at once forwarded to the Superintendent, RMS, a copy of it being placed on record.
- The stationmaster will keep one of his copies as the Railway record, and send the other to the Railway Accounts Officer to be attached as a voucher to the bill submitted to the Head of the Circle concerned.
- If the vouchers are in order, the latter officer should accept the charges supported by them as final.
