Central Civil Services (Commutation of Pension) Rules, 1981

Updated with amendments and provisions in force as on June 2026

DISCLAIMER

This booklet has been prepared strictly from an examination point of view. While every effort has been made to ensure accuracy and the inclusion of the latest amendments and updates to the relevant Acts, Rules and Regulations, this document is intended as a study aid only. Readers and students are strongly advised to refer to official Government sources, notifications and gazettes for the most reliable and authoritative information.

KEY REFERENCES

Principal Rules: Central Civil Services (Commutation of Pension) Rules, 1981, notified vide S.O. 1134 dated 11 April 1981 (effective 1 July 1981).

Substantive limit raised from one-third to 40% w.e.f. 01.01.1996 (6th CPC related amendments).

Restoration of commuted portion after 15 years – Rule 10-A, based on the Supreme Court judgment in Common Cause v. Union of India (W.P. 3958-61/1983, dated 09.12.1986).

Commutation Table currently in force: revised Table effective for retirements on or after 01.01.2006 (notified after the 6th CPC; interest basis 8% p.a.).

Allied rules: Central Civil Services (Pension) Rules, 2021 (which superseded the CCS (Pension) Rules, 1972 w.e.f. 31.12.2021).

Latest procedural change: Single Pension Application Form 6-A introduced vide G.S.R. 410(E) dated 16.07.2024 (effective 19.11.2024), in which the commutation option is indicated.

Introduction – What is Commutation of Pension?

Commutation of pension is a facility under which a pensioner may convert a portion of the monthly pension into a one-time lump-sum payment at the time of, or after, retirement. In exchange, the monthly pension is reduced by the commuted portion for a fixed period. The procedure, eligibility, limits and restoration of the commuted portion are governed by the Central Civil Services (Commutation of Pension) Rules, 1981.

These Rules apply to Central Government civil servants who entered service on or before 31.12.2003 and who are entitled to any class of pension under Chapter V of the CCS (Pension) Rules, 2021. Employees appointed on or after 01.01.2004 are governed by the National Pension System / Unified Pension Scheme and are outside the scope of these Rules.

AT A GLANCE

- Maximum commutable portion: 40% of basic pension (Rule 5).
- Formula: Commuted Value = Amount commuted (40% of pension) × Commutation Factor × 12.
- No medical examination if applied within one year of retirement (Chapter III).

- Medical examination required if applied after one year, or for invalid / compulsory-retirement / compassionate-allowance cases (Chapter IV).
- Restoration of commuted portion: after 15 years (Rule 10-A).
- Dearness Relief is always calculated on the full (un-reduced) basic pension.

Chapter I — Preliminary and General Provisions

Rule 1 — Short Title and Commencement

These Rules may be called the Central Civil Services (Commutation of Pension) Rules, 1981. They came into force on 1st July 1981.

Rule 2 — Application

These Rules apply to Government servants appointed on or before 31st December 2003 who are entitled to, or have been authorised, any class of pension referred to in Chapter V of the CCS (Pension) Rules, 2021.

EXAM TIP

The cut-off date 31.12.2003 is crucial. NPS/UPS employees (appointed on or after 01.01.2004) are not covered. The Rules, originally framed with reference to the 1972 Pension Rules, now read with the CCS (Pension) Rules, 2021.

Rule 3 — Definitions

In these Rules, unless the context otherwise requires:

- **(a) Accounts Officer** means an officer who maintains the accounts of a Ministry, Department or Office of the Central Government or a Union Territory, including an Accountant General entrusted with keeping such accounts.
- **(b) Applicant** means a Government servant, including a retired Government servant, who applies for commutation of a percentage of pension in the prescribed form.
- **(c) Chief Administrative Medical Authority** means the medical authority of the State or Union Territory specified in the Annexure to these Rules.
- **(d) Disbursing authority** means a branch of a nationalised bank, a treasury (including sub-treasury), or an Accounts Officer, from where the applicant receives pension.
- **(e) Form** means a Form appended to these Rules.
- **(f) Head of Office** means a Gazetted Officer referred to in the relevant provision of the Pension Rules.
- **(g) Medical authority** means the medical authority referred to in Rule 22.

- **(h) Pension** means any class of pension, including compassionate allowance, referred to in Chapter V of the Pension Rules, but does not include extra pension or any amount granted as compensation for higher cost of living (Dearness Relief).
- **(i) Pension Rules** means the Central Civil Services (Pension) Rules, 2021.
- **(j) Provisional Pension** means the pension referred to in Rule 8 or Rule 62 of the Pension Rules, 2021, as the case may be.
- **(k) Retirement gratuity** means the gratuity payable under sub-rule (1) of Rule 45 of the Pension Rules, 2021.
- **(l) Table** means a Table appended to these Rules.

NOTE ON UPDATED CROSS-REFERENCES

The 1981 Rules originally referred to the CCS (Pension) Rules, 1972. Following the notification of the CCS (Pension) Rules, 2021 (which superseded the 1972 Rules), the corresponding provisions now read as: provisional pension – Rule 62 (formerly Rule 64); provisional pension during departmental/judicial proceedings – Rule 8 (formerly Rule 69); retirement gratuity – Rule 45 (formerly Rule 50).

Rule 4 – Restriction on Commutation of Pension

No Government servant shall be eligible to commute a percentage of pension during the pendency of departmental or judicial proceedings. Specifically, commutation is barred:

- against whom departmental or judicial proceedings, as referred to in Rule 8 of the Pension Rules, 2021, have been instituted before the date of retirement; or
- a pensioner against whom such proceedings are instituted after the date of retirement — in respect of provisional pension or pension, as the case may be, during the pendency of such proceedings.

Rule 5 – Limit on Commutation of Pension

(1) A Government servant shall be entitled to commute for a lump-sum payment an amount **not exceeding 40% of his pension**.

(2) In an application for commutation in Form 1, Form 1-A or Form 2, as the case may be, the applicant shall indicate the percentage of pension he desires to commute, and may indicate either the maximum limit of 40% of pension or any lower limit he desires.

(3) If the percentage of pension to be commuted results in a fraction of a rupee, such fraction shall be ignored for the purpose of commutation. (The commuted value, as finally calculated, is rounded off to the next higher rupee – G.I. decision dated 12.12.1985.)

HISTORICAL NOTE

Originally, the maximum commutable portion was one-third ($1/3$) of pension. This was raised to 40% with effect from 01.01.1996. Several official Forms still carry the legacy phrase “one-third,” but the operative limit in force is 40%.

Rule 6 – Commutation of Pension to Become Absolute

(1) The commutation of pension shall become absolute — i.e., the title to receive the commuted value is established — on the following dates:

- (a) where the applicant applies after retirement under Rule 13(1): on the date the application in **Form 1** is received by the Head of Office;
- (b) where the applicant applies before retirement under Rule 13(3): on the date following the date of his retirement;
- (c) in cases under Chapter IV (after medical examination): on the date the medical authority signs the medical report in Part III of **Form 4**.

Provided that the reduction in the amount of pension on account of commutation shall be operative as follows:

- (a) where pension is drawn from a treasury or Accounts Officer: from the date of receipt of the commuted value, or three months after the issue of authority by the Accounts Officer, whichever is earlier;
- (b) where pension is drawn from a branch of a nationalised bank: from the date the commuted value is credited by the bank to the applicant's account;
- (c) where the commuted value becomes payable on the day following the date of retirement (applications before retirement): the reduction is operative from its inception.

(2) Where the commuted value is paid in two or more stages (cases under Rule 9 or Rule 10), the reduction shall be made from the respective dates of the payments.

(3) The date of payment / credit of the commuted value shall be entered in both halves of the Pension Payment Order (PPO) by the disbursing authority, under intimation to the Accounts Officer.

Rule 7 – Nominations

(1) An applicant shall make a nomination in **Form 5** along with the application, conferring on one or more persons the right to receive the commuted value if the applicant dies without receiving it on or after the date commutation became absolute.

(2) If there is no such nomination, or the nomination does not subsist, the commuted value shall be paid to the family in the manner indicated in the Pension Rules.

(3) If the commuted value cannot be paid in the manner so indicated, it shall be paid to the applicant's heirs.

LATEST UPDATE – FORM 6-A (2024)

Vide the CCS (Pension) Amendment Rules, 2024 (G.S.R. 410(E) dated 16.07.2024, effective 19.11.2024), a Single Pension Application Form, Form 6-A, was introduced for retiring Central Government civil employees. It consolidates the earlier Form 4, Form 6 and related formats and incorporates the nomination for arrears of pension and for commutation of pension. The desired commutation percentage is indicated within Form 6-A at the time of submission of pension papers. Where Form 6-A is submitted by a family member on the retiree's behalf, the commutation benefit cannot be availed unless the retiree personally applies. (Ref: DoP&PW O.M. dated 11.09.2024.)

Rule 8 – Calculation of Commuted Value of Pension

The lump-sum payable to an applicant shall be calculated in accordance with the Table of values prescribed from time to time and applicable to the applicant on the date the commutation becomes absolute.

Formula: Commuted Value = Amount of pension commuted × Commutation Factor × 12

ILLUSTRATION

An employee retires on superannuation on 30th September 2023. Basic pay last drawn: ₹ 66,000.

1. Basic pension (50% of basic pay) = ₹ 33,000 per month.
2. Amount offered for commutation (40% of pension) = ₹ 13,200 per month.
3. Age next birthday = 61 years; Commutation Factor = 8.194.
4. Lump-sum payable = $13,200 \times 12 \times 8.194 = ₹ 12,97,930$ (rounded off to the next higher rupee).

Residual (reduced) pension = $33,000 - 13,200 = ₹ 19,800$ per month. Dearness Relief continues to be paid on the full pension of ₹ 33,000.

Rule 9 – Commutation of Provisional Pension

- (1) A Government servant to whom, pending assessment of final pension, a provisional pension has been sanctioned under Rule 62 of the Pension Rules, 2021, shall be eligible to commute a percentage of such provisional pension, subject to the limit specified in Rule 5.
- (2) For the purpose of such commutation, the provisions of Chapter III or Chapter IV, as applicable, shall apply.
- (3) For an applicant governed by Chapter IV (after medical examination):
 - (a) where the percentage of provisional pension to be commuted works out to an amount not exceeding ₹ 100 per month, but the amount likely to be commutable on finalisation of pension is expected to exceed ₹ 100 per month, the application shall be deemed (for Rule 22) to be for an amount exceeding ₹ 100 per month;
 - (b) on determination of final pension, if the applicant becomes entitled to commute up to ₹ 100 per month, he shall not be required to undergo medical examination for the difference between the value originally commuted and the value commuted subsequently;
 - (c) if, on determination of final pension, the applicant becomes entitled to commute a sum exceeding ₹ 100 per month, he shall, for commutation of the amount exceeding ₹ 100, be required to apply afresh in Form 2.

Rule 10 – Retrospective Revision of Final Pension

Where an applicant has commuted a percentage of his final pension and his pension is subsequently revised and enhanced retrospectively as a result of a Government decision, the applicant shall be paid the difference between the commuted value determined with

reference to the enhanced pension and the commuted value already authorised. No fresh application is required for payment of this difference.

Rule 10-A — Restoration of Commuted Pension

The commuted amount of pension shall be **restored on completion of fifteen years** from the date on which the reduction of pension on account of commutation became operative in accordance with Rule 6.

Provided that where the commutation amount was paid on more than one occasion (on account of upward revision of pension), the respective commuted amount shall be restored on completion of fifteen years from the respective date(s).

KEY POINTS ON RESTORATION

The 15-year period is reckoned from the date of reduction (i.e., the date the commuted value was paid/credited), not from the date of retirement — except where commutation was simultaneous with retirement (commuted value paid in the first month).

Restoration is automatic on completion of 15 years; the pensioner applies to the Pension Disbursing Authority where required.

As on date, the restoration period remains 15 years. Proposals to reduce it to 12 years (raised by employee federations and an earlier Pay Commission) have not been accepted by the Government and no notification reducing the period has been issued. (Verified June 2026.)

Family pensioners are not eligible for restoration, as the facility applies only to those who commuted their own pension.

Chapter II – Commutation Without Medical Examination

Rule 11 – Scope

The provisions of this Chapter apply to an applicant who is eligible to commute a percentage of his pension without medical examination.

Rule 12 – Eligibility

An applicant who is authorised one of the following pensions shall, subject to the limit in Rule 5, be eligible to commute a percentage of his pension without medical examination, provided he applies in Form 1 or Form 1-A in accordance with Rule 13:

- a superannuation pension under **Rule 33** of the Pension Rules, 2021;
- a retiring pension under **Rule 34** of the Pension Rules, 2021;
- a pension on absorption in or under a corporation, company or body (with option to receive monthly pension);
- a compensation pension on abolition of a permanent post under the Pension Rules; or
- a pension, in whole or in part, on finalisation of departmental or judicial proceedings referred to in **Rule 8** of the Pension Rules, 2021, and issue of final orders thereon.

Note: Pension in the case of superannuation, retiring and compensation pension includes provisional pension sanctioned under Rule 62 of the Pension Rules, 2021.

Rule 13 – Application for Commutation

(1) An applicant in receipt of any pension referred to in Rule 12, who desires to commute a percentage of that pension after retirement but **before the expiry of one year** from the date of retirement, shall:

- (a) apply to the Head of Office in **Form 1** after the date of retirement; and
- (b) ensure the application in Form 1, duly completed, is delivered to the Head of Office as early as possible but **not later than one year** from the date of retirement.

Provided that for an applicant whose retirement orders were issued from a retrospective date, the one-year period is reckoned from the date of issue of the retirement orders; and for an applicant covered by the proceedings clause (Rule 12, last item), the one-year

period is reckoned from the date of issue of orders consequent on finalisation of the departmental or judicial proceedings.

(2) An applicant who applies within one year of retirement but whose Form 1 is received by the Head of Office **after one year** of retirement shall not be eligible to commute without medical examination, and must apply afresh in Form 2 under Chapter IV.

(3) A Government servant due to retire on superannuation, who desires the commuted value to be authorised along with the PPO, may apply along with pension papers before retirement, provided that:

- (a) he retires on superannuation pension only;
- (b) the application is submitted in **Form 1-A** so as to reach the Head of Office **not later than three months** before the date of superannuation;
- (c) no such application is entertained if the period is less than three months before superannuation; and
- (d) the Government has no liability to pay the commuted value if the Government servant dies before, or forfeits claim to pension before, the date of superannuation.

EXAM TIP — Form 1 vs Form 1-A vs Form 2

Form 1: applied after retirement, within one year, without medical examination.

Form 1-A: applied before retirement (at least 3 months prior), for superannuation pension, commuted value paid through the PPO.

Form 2: applied after medical examination (Chapter IV) — e.g., applied after one year, or invalid/compulsory-retirement/compassionate-allowance cases.

Rule 14 — Action by the Head of Office

(1) On receipt of an application in Form 1 or Form 1-A, the Head of Office shall initial the Form indicating the date of receipt, acknowledge receipt in Part II and despatch it to the applicant, complete Part III, and forward it to the Accounts Officer (retaining one copy).

(2) Where Form 1 is received **after one year** of the date of retirement, the Head of Office shall inform the applicant that he is not eligible to commute without medical examination, and that he must apply afresh in Form 2 so that medical examination can be arranged under Chapter IV.

Rule 15 – Authorisation of Commuted Value by the Accounts Officer

- (1) On receipt of Form 1, the Accounts Officer shall verify that the information in Part III is correct, that the applicant is eligible to commute without medical examination, and that the commuted value has been correctly determined.
- (2) After verification, the Accounts Officer shall issue authority for payment of the commuted value to the disbursing authority, draw attention to the proviso to Rule 6(1) regarding the date of reduction of pension, and endorse a copy of the authority to the applicant.
- (3) For Form 1-A cases, the Accounts Officer ensures that the superannuation pension is finalised and the PPO issued before retirement; authorises the Head of Office to draw and hand over the commuted value (superscribed “not payable before the date following retirement”); reflects the gross pension, commuted amount and the separate authorisation in both halves of the PPO; and requests intimation of the date the cheque/draft was handed over.

Rule 16 – Authorisation of Commuted Value of Provisional Pension

Where the Head of Office has sanctioned provisional pension under Rule 62 of the Pension Rules, 2021 and the Government servant has applied for commutation in Form 1 (in accordance with Rule 9), the Head of Office forwards Form 1 (with completed pension papers) to the Accounts Officer. The Accounts Officer, after verifying the amount of provisional pension and the commuted value, issues authority for payment to the Head of Office for disbursement, and on final assessment authorises payment of the difference between the value finally determined and the value already paid.

Chapter III — Commutation After Medical Examination

Rule 17 — Scope

The provisions of this Chapter apply to an applicant who is eligible to commute a percentage of his pension after medical examination.

Rule 18 — Eligibility

An applicant who falls in any of the following categories shall be eligible to commute a percentage of his pension, subject to the limit in Rule 5, after being declared fit by the appropriate medical authority:

- (a) retires on invalid pension under **Rule 39** of the Pension Rules, 2021;
- (b) is compulsorily retired from service as a penalty and granted pension under **Rule 40** of the Pension Rules, 2021;
- (c) is in receipt of compassionate allowance under **Rule 41** of the Pension Rules, 2021; or
- (d) has retired on one of the pensions referred to in Rule 12 but whose application for commutation was not received by the Head of Office within one year of retirement.

Rule 19 — Application for Commutation

An applicant referred to in Rule 18 shall apply to the Head of Office in **Form 2** for commutation of a percentage of his pension, including provisional pension sanctioned under Rule 62 of the Pension Rules, 2021.

Rule 20 — Action by the Head of Office

On receipt of Form 2 (Part I), the Head of Office acknowledges receipt in Part II, forwards Form 2 in original to the Accounts Officer with a request to complete Part IV and return it promptly. On receiving the completed Form 2 back, the Head of Office addresses the Chief Administrative Medical Authority in Form 3 (at the station where the applicant desires examination), forwards the prescribed documents, and endorses a copy of the Form 3 to the applicant and the Accounts Officer.

Rule 21 — Action by the Chief Administrative Medical Authority

The Chief Administrative Medical Authority arranges, as far as possible, for the medical examination of the applicant by the medical authority at the nearest available station indicated in Form 2; transmits the documents to the medical authority; and informs the applicant where and when to appear. In fixing the date, it shall be ensured, as far as possible, that the examination is held before the applicant's next birthday.

Rule 22 – Medical Authority

(1) The medical authority shall be a Medical Board where the applicant:

- (a) seeks commutation of invalid pension; or
- (b) seeks commutation of pension (other than invalid pension) where the amount to be commuted, together with any amount previously commuted, exceeds ₹ 2,000 per month; or
- (c) has been refused commutation on medical grounds, or having once declined commutation on the basis of an addition of years to his age, applies for a second medical examination under Rule 26 or Rule 27.

(2) In any other case, the medical authority shall be a Medical Officer not lower in status than a Civil Surgeon or a District Medical Officer.

Rule 23 – Fee for Medical Examination

The applicant shall pay for the medical examination such fee as may be specified by the Central Government.

Rule 24 – Failure to Appear before Medical Authority

(1) If the applicant fails to appear for medical examination on the communicated date and time, without reasonable ground, the medical authority shall report the fact to the Head of Office and return the documents.

(2) On return of the documents, the application for commutation shall be treated as having been withdrawn.

Rule 25 – Procedure for Medical Examination

The medical authority obtains the applicant's signed statement in Part I of Form 4, conducts the examination and records the result in Part II, attests the photograph, and completes the certificate in Part III of Form 4. Where the applicant has been granted

invalid pension, has previously commuted part of his pension, has been refused commutation on medical grounds, or had declined commutation on the basis of an addition of years, the medical authority takes the statement of the medical case into consideration before completing Part III. The medical authority then forwards Form 2, the attested photograph and Form 4 (original) to the Accounts Officer, with a certified copy of Form 4 to the Head of Office, and sends the applicant a certified copy of Part III of Form 4.

Rule 26 — Second Medical Examination

(1) In the case of an applicant referred to in Rule 22(1)(c), a second medical examination shall take place after the expiry of a period of **not less than one year** from the date of the first medical examination.

(2) If the applicant desires re-examination on expiry of that period, it shall be by a Medical Board at his own expense, after addressing a letter to the Head of Office with the prescribed particulars (earlier medical authority, place and date of examination, opinion, date of birth and retirement, designation, pension authorised, and percentage applied for commutation). The remaining sub-rules prescribe the procedure for arranging the Medical Board, recording its opinion, and authorisation of the commuted value if the applicant becomes eligible.

Rule 27 — Appeal against the Findings of Medical Authority

Notwithstanding Rule 26, an applicant referred to in Rule 22(1)(c) may, **within one month** of receipt of the certified copy of Part III of Form 4, prefer an appeal by writing to the Head of Office that the opinion of the medical authority be reviewed by another medical authority, at his own expense. The procedure for re-examination (by a Medical Board, or a second Medical Board with different members) and the binding effect of its findings are set out in the sub-rules.

Rule 28 — Withdrawal of Application

(1) The applicant may withdraw his application, after notice in writing to the Head of Office, at any time before subjecting himself to medical examination — but in no case after he has appeared before the medical authority.

(2) Where the medical authority directs that the applicant's age for commutation be assumed to be greater than his actual age, the applicant may, **within fourteen days** of receiving the certified copy of Part III of Form 4, either withdraw his application or request a reduction in the amount of pension applied for commutation, by notice to the Head of Office (with a copy to the Accounts Officer).

(3)–(5) If no request for withdrawal is made within the prescribed time, the applicant is deemed to have accepted the findings; the Accounts Officer then authorises payment. Where the Table is modified and the value payable becomes less favourable, the applicant may withdraw within fourteen days of being so informed.

Rule 29 – Modification in the Value Specified in the Table

(1) If the value in the Table is modified before commutation becomes absolute (Chapter IV cases), payment is made in accordance with the modified value.

(2) Where the value as modified is less favourable than the value before modification, the Accounts Officer informs the applicant of the revised value and his right of withdrawal under Rule 28(5), and endorses a copy to the Head of Office.

Rule 30 – Authorisation of Payment of Commuted Value

On receipt of the documents from the medical authority, the Accounts Officer shall, without delay, issue an order to the disbursing authority for payment of the commuted value, furnishing the amount of pension commuted, the commuted value, the date commutation became absolute, the residuary pension, Form 4 in original, and the attested photograph. He draws the disbursing authority's attention to the proviso to Rule 6(1) (date of reduction) and endorses a copy to the applicant.

Rule 31 – Final Assessment of Provisional Pension

Where the commuted value of a percentage of provisional pension (under Rule 62 of the Pension Rules, 2021) has been paid by the Head of Office, the Accounts Officer shall, on final assessment of pension, pay the difference between the commuted value finally determined and the value already paid. Where the applicant was examined by a Medical Officer and, on final assessment, becomes eligible to commute an amount exceeding ₹ 100 per month, the difference up to ₹ 100 is allowed without further medical examination; commutation beyond ₹ 100 requires a fresh medical examination by a Medical Board.

General Rules (Interpretation, Relaxation & Repeal)

Rule 32 — Interpretation

Where any doubt arises as to the interpretation of these Rules, it shall be referred to the Government in the Department of Personnel and Training (Department of Pension and Pensioners' Welfare) for decision.

Rule 33 — Power to Relax

Where any Ministry or Department is satisfied that the operation of any of these Rules causes undue hardship in a particular case, it may, by order recording reasons in writing, relax the requirements of that Rule — provided that no such order is made except with the concurrence of the Department of Personnel and Training.

Rule 34 — Repeal and Savings

On the commencement of these Rules, every earlier rule, regulation or order (including Office Memoranda) ceased to operate insofar as it provided for matters contained in these Rules. However, any application pending before commencement is disposed of under the old rules, and anything done under the old rules is deemed to have been done under the corresponding provisions of these Rules.

Quick Reference — Forms under the Rules

Form	Purpose
Form 1	Application for commutation without medical examination (after retirement, within one year).
Form 1-A	Application for commutation of superannuation pension without medical examination, where commuted value is authorised through the PPO (submitted at least 3 months before retirement).
Form 2	Application for commutation after medical examination (Chapter IV cases).
Form 3	Letter of the Head of Office to the Chief Administrative Medical Authority arranging medical examination.
Form 4	Medical examination report (Parts I–III).
Form 5	Nomination to receive the commuted value in case of death of the applicant before receipt.
Form 6-A	Single Pension Application Form (2024) — commutation option is indicated here for retiring civil employees.

Commutation Factor Table (In Force)

The Table below gives the commutation value expressed as the number of year's purchase. This is the revised Table applicable to pensioners retiring on or after 01.01.2006 (notified following the 6th Central Pay Commission; interest basis 8% per annum). The commutation factor corresponds to the applicant's age on the next birthday after the date commutation becomes absolute.

Age*	Factor	Age*	Factor	Age*	Factor
20	9.188	41	9.075	62	8.093
21	9.187	42	9.059	63	7.982
22	9.186	43	9.04	64	7.862
23	9.185	44	9.019	65	7.731
24	9.184	45	8.996	66	7.591
25	9.182	46	8.971	67	7.431
26	9.18	47	8.943	68	7.262
27	9.178	48	8.913	69	7.083
28	9.176	49	8.881	70	6.897
29	9.173	50	8.846	71	6.703
30	9.169	51	8.808	72	6.502
31	9.164	52	8.768	73	6.296
32	9.159	53	8.724	74	6.085
33	9.152	54	8.678	75	5.872
34	9.145	55	8.627	76	5.657
35	9.136	56	8.572	77	5.443
36	9.126	57	8.512	78	5.229
37	9.116	58	8.446	79	5.018
38	9.103	59	8.371	80	4.812
39	9.09	60	8.287	81	4.611
40	9.075	61	8.194		

**Age means the age next birthday after the date on which commutation becomes absolute.*

SOURCES & CURRENCY (verified June 2026)

Principal Rules and Forms: Central Civil Services (Commutation of Pension) Rules, 1981 – Department of Pension & Pensioners' Welfare (persmin.gov.in).

40% commutation limit – Rule 5 (in force).

Restoration after 15 years – Rule 10-A; reaffirmed by courts (Telangana High Court, July 2025) and not amended; proposals to reduce to 12 years remain pending and un-notified.

Commutation Factor Table effective for retirements on/after 01.01.2006 (post-6th CPC; 8% interest basis) – the table currently applied.
