1. Introduction & Overview

India Post Payments Bank (IPPB) is an Indian Government-owned payments bank set up under the Department of Posts (DoP), Ministry of Communications, with 100% equity owned by the Government of India. Its core mandate is financial inclusion — to remove barriers for the unbanked and under-banked and to reach the last mile by leveraging the vast postal network. IPPB delivers simple, affordable, paperless, cashless and presence-less banking at the customer's doorstep, built on the pillars of the India Stack (Aadhaar, eKYC, UPI, etc.). Its tagline is “Aapka Bank, Aapke Dwaar” (Your Bank, At Your Doorstep).

Establishment & Milestones

- On 19 August 2015, India Post received in-principle approval / licence from the Reserve Bank of India (RBI) to set up a payments bank; it was incorporated as a public limited Government company on 17 August 2016.
- The pilot project was inaugurated on 30 January 2017 at Ranchi (Jharkhand) and Raipur (Chhattisgarh).
- In August 2018, the Union Cabinet approved an outlay of about INR 1,435 crore for setting up the bank.
- IPPB was formally launched nationwide on **1 September 2018** by the Hon'ble Prime Minister, with 650 branches and 3,250 post offices functioning as access points; over ten thousand postmen were roped in during the first phase.
- 1 September is observed every year as **IPPB Day (Foundation Day)**; the 8th Foundation Day was celebrated on 1 September 2025.

Current Scale & Performance

- IPPB crossed the **12 crore customer** milestone around its 8th Foundation Day (Aug–Sep 2025), with deposits exceeding **INR 20,000 crore**.
- In FY 2024-25, IPPB reported its **first-ever annual net profit of about INR 134 crore**, on revenue exceeding INR 2,000 crore (a CAGR of roughly 60–70% over the preceding two years).
- It operates across about 5.57 lakh villages and towns, making it one of the largest financial-inclusion initiatives in the world.

Currency check

Figures above reflect official IPPB / Ministry of Communications (PIB) disclosures around the 8th Foundation Day (1 September 2025). Customer numbers, deposits and network counts grow continuously — verify the latest figures from official IPPB / PIB releases before quoting in an examination.

What is a 'Payments Bank'?

A payments bank is a differentiated bank licensed by the RBI under Section 22 of the Banking Regulation Act, 1949. It is meant to further financial inclusion by providing small savings accounts and payments/remittance services to migrant labour, low-income households, small businesses and the unorganised sector. Payments banks operate under important restrictions:

- **Maximum balance:** A payments bank can accept deposits up to INR 2,00,000 per individual customer (end-of-day balance). This limit was raised from INR 1,00,000 to INR 2,00,000 by the RBI with effect from April 2021.

- **No lending:** A payments bank cannot undertake lending activities and cannot issue credit cards. IPPB therefore offers loans only on a referral / business-correspondent basis through partner banks and NBFCs.
- **Permitted activities:** Accepting demand deposits; issuing ATM/Debit cards (IPPB issues RuPay Virtual Debit Cards); remittances and payments (NEFT/RTGS/IMPS/UPI/AePS); bill payments; and distribution of third-party products such as insurance, mutual funds and pension on a non-risk-sharing basis.
- **Deposit insurance:** Deposits are insured by the Deposit Insurance and Credit Guarantee Corporation (DICGC) up to INR 5,00,000 per depositor.

Fincluvation & Recent Initiatives

- **Fincluvation™** — a joint initiative of the Department of Posts and IPPB that invites the fintech start-up community to co-create solutions for financial inclusion.
- **Aadhaar-based Face Authentication**, RuPay Virtual Debit Cards, AePS (Aadhaar-enabled Payment Services) and Bharat BillPay integration have widened IPPB's digital service bouquet.
- **International (cross-border) inward remittance** was launched in June 2024 in partnership with Ria Money Transfer (a business segment of Euronet Worldwide), bringing inward remittances to the postal doorstep network.

New official domain

IPPB's official website has migrated to the new RBI-mandated banking domain ippbonline.bank.in (replacing the earlier ippbonline.com). Always use the .bank.in address for official references.

6.1 Doorstep Banking (DSB) Charges

Doorstep Banking charges (notified with effect from 1 September 2021) are summarised below. Importantly, IPPB has waived these charges — there are NIL Doorstep Banking charges till further notice.

- Flat ₹20 + GST per doorstep visit, per customer serviced beyond 1 km from the post office.
- No limit on the number of transactions during a single DSB visit for one customer (CIF).
- If another customer is served in the same visit, it is treated as a separate DSB delivery and is chargeable.
- Charges applicable to the individual product/service availed during the DSB visit are as per the Schedule of Charges and are in addition to the DSB charge.
- **Currently** — NIL charges for the Doorstep Banking service till further notice.

Non-IPPB customers

Product-wise DSB charges for non-IPPB customers — AEPS, Domestic Money Transfer (DMT), CELC (Child Enrolment Lite Client) and DLC (Jeevan Pramaan): no DSB charge is applicable.

8. Digital & Phone Banking Channels

Beyond the doorstep and counter, IPPB offers several remote channels so that customers — many in rural areas with basic feature phones — can access core banking services without data connectivity. These include the IPPB Mobile Banking app, SMS Banking, Missed Call Banking and toll-free Phone Banking.

8.1 IPPB Mobile Banking App

- View account balance and mini-statement, and download account statements.
- Transfer funds (intra-bank, NEFT, RTGS, IMPS, UPI) and pay bills / recharge.
- Manage POSA Sweep-in / Sweep-out, open DoP products (RD, TD, PPF, SSA, etc.) and request services.
- Single sign-on shows both the IPPB account and the linked POSA balance together.

8.2 SMS Banking

IPPB provides SMS Banking so customers can quickly access account details on their mobile phones simply by sending an SMS to the SMS Banking number **9910228664**. (The service works on all handsets, needs no internet and is available 24x7.)

Registration: Send the keyword **REGISTER** to 9910228664 from the mobile number linked to your savings / current account.

Service	SMS Keyword (to 9910228664)
Balance enquiry	BAL
Mini statement	MINI
Account Freeze	FREEZE <SPACE> <12-digit IPPB a/c number>
Get Account & CIF details	GETCIF <SPACE> <DOB in DDMMYYYY> (e.g. GETCIF 18122002)
Opt out of Virtual Debit Card auto-renewal	STOP <SPACE> RENEWAL <SPACE> <Account No.> (e.g. STOP RENEWAL 123456789012)

Note

All SMS-banking keywords must be sent from the registered mobile number. For VDC auto-renewal opt-out, act within the timeframe communicated by the Bank.

8.3 Missed Call Banking

Register for Missed Call Banking by giving a missed call to **9650121379** or **8424054994** from the mobile number linked to your savings / current account. Thereafter, give a missed call to the numbers below to avail each service.

Service	Dial-in (Missed Call) Number
Balance enquiry	9910223398 or 7799022509
Mini statement	9910285326 or 7799022708

8.4 Phone Banking

IPPB's Phone Banking lets customers access their bank account, learn about IPPB products & services and resolve queries from home, work or on the move, by calling the toll-free Phone Banking number **155299**.

Languages

At present, Phone Banking services are available in 13 languages through the IVR mode and 8 languages through the agent-assisted channel.

9. Digital Life Certificate (Jeevan Pramaan) for Pensioners

The Digital Life Certificate (DLC), branded *Jeevan Pramaan*, is a biometric-enabled digital service for pensioners. Pensioners of the Central or State Government, the Employees' Provident Fund Organisation (EPFO) or any other government organisation whose pension-disbursing agency is live for DLC can use this facility. They need not visit the disbursing agency in person; instead, Aadhaar-enabled biometric authentication is used to generate the DLC.

9.1 How the Service Works

- Available to both IPPB and non-IPPB customers.
- A customer can visit the nearest post office, or book a doorstep visit by the Postman / Gramin Dak Sevak through the *Post Info* app or the website <https://ccc.cept.gov.in/ServiceRequest/request.aspx>.
- Issuance is completely paperless, seamless and hassle-free; the certificate is generated instantly.
- On success, a Pramaan ID is generated and shared with the pensioner directly by NIC.
- The pensioner can then download the DLC from <https://jeevanpramaan.gov.in/ppouser/login>.

DLC Charges	
Generation fee	Rs. 70 per successful DLC (inclusive of GST / CESS)
Doorstep charge	NIL — no doorstep charges for IPPB or non-IPPB customers for DLC issuance

10. IPPB & POSA Linkage and Sweep Facility

10.1 The Post Office Savings Account (POSA)

POSA holds a significant place in fostering savings as it reaches the remotest parts of India that have limited banking access. A POSA can be opened by cash only with a minimum initial deposit of **Rs. 500**, and currently earns **4.0% interest per annum**.

10.2 Linking POSA with the IPPB Account

An IPPB savings account can be linked to a POSA. If the customer opts for linkage, any end-of-day balance above **Rs. 2 lakh** is automatically transferred (swept out) to the linked POSA.

Important

POSA linkage is NOT available with the Digital (DigiSmart) Savings Account. However, the customer can link a POSA after converting the Digital Savings Account into a regular Savings Account.

Benefits of Linking POSA and IPPB

- Automatic transfer of funds from IPPB to POSA when the balance exceeds Rs. 2 lakh — instead of rejecting the transaction, the system moves the excess to POSA.
- The entire balance can be transferred at once from IPPB to POSA, as POSA has no maximum-balance limit.
- Funds can be managed through the IPPB mobile app using Sweep-in / Sweep-out, with cash deposit / withdrawal via the IPPB savings account.

10.3 Sweep-in and Sweep-out Facility

The Sweep-in / Sweep-out facility lets an IPPB customer manage funds conveniently. Any amount above Rs. 2 lakh is swept out to the linked POSA. Sweep enables easy transfer of funds — both automatic and manual — from the savings account to the POSA, helping the account holder earn higher interest.

Features

- No limit on the minimum amount to be withdrawn (swept).
- No extra charges for Sweep-in or Sweep-out.
- Can be availed through assisted channels (Doorstep Service, Access Point) as well as self-service via the IPPB Mobile App.
- Single sign-on for both accounts on the mobile app to check balances.

Sweep Service Timings	
Sweep-in	Bank Begin-of-Day* to 11:00 PM, subject to availability of funds in the sweep-in account, on all days. (*Begin-of-Day generally starts around 3:00 AM; exact timing may vary due to operational factors.)
Sweep-out	Available 24x7 on all days.

11. Child Enrolment Lite Client (CELC) Services

As a Registrar for the Unique Identification Authority of India (UIDAI), IPPB brings the Child Enrolment Lite Client (CELC) to the customer's doorstep. It is an Android-based application through which facilities such as child Aadhaar enrolment, mobile-number updation and Aadhaar search are provided.

CELC Charges	
Mobile-number updation in Aadhaar	Rs. 75 (including applicable taxes)
Child enrolment	NIL charges

12. Insurance Services (Third-Party)

IPPB distributes insurance products of third-party insurers across three categories — Life, Health and General. As a payments bank, IPPB acts only as a corporate agent / distributor; the policy is underwritten by the respective insurer.

13. Loan Referral Services

As a payments bank, IPPB is **not permitted to lend**. It therefore offers loans only on a **referral basis** — sourcing the lead and forwarding it to a partner bank / NBFC, which underwrites and disburses the loan. IPPB earns a referral incentive only.

S.No.	Type of Loan	Lending Partner(s)
1	Personal Loan	HDFC Bank & Axis Bank
2	Home Loan	HDFC Bank, Axis Bank, Homefirst & Aadhar Housing Finance
3	Instant / Short-term Personal Loan	FIBE
4	Gold Loan	HDFC Bank & Axis Bank
5	Vehicle Loan	HDFC Bank, Axis Bank & Mahindra Finance
6	KCC Loan	HDFC Bank & Axis Bank
7	Loan Against Property	HDFC Bank, Axis Bank, Homefirst & Aadhar Housing Finance

Currency note

The lending-partner panel is periodically updated. As of June 2026 the official IPPB page also displays lenders such as Aditya Birla Capital and Aavas Financiers; the loan-type to partner mapping above reflects IPPB's published list and partners may be added or changed over time. IPPB acts as a Loan Lead Referrer on a non-risk-participation basis; credit approval is at the sole discretion of the lending bank / NBFC.

14. Social Security Schemes

IPPB distributes two flagship social-security schemes: (a) the Antyodaya Shramik Suraksha Yojana, and (b) the Pradhan Mantri Jeevan Jyoti Bima Yojana (PMJJBY).

14.1 Antyodaya Shramik Suraksha Yojana (ASSY)

ASSY is an affordable insurance scheme aimed at providing comprehensive coverage and protection to unorganised-sector workers (shramiks). The pilot was launched in Nadiad,

Kheda District, Gujarat on **8 July 2023**, and the scheme is currently live across the Vadodara, Ahmedabad and Rajkot regions of Gujarat.

Key Features

- Comprehensive Coverage: accidental insurance of Rs. 10 lakh / Rs. 5 lakh, disability benefits, hospitalisation benefit, etc., tailored to shramiks' needs.
- Affordable Premiums: Rs. 499/- for Rs. 10 lakh cover and Rs. 289/- for Rs. 5 lakh cover.
- Easy Enrolment: through the nearest post office / Postman / Gramin Dak Sevak.
- Pan-India Plan: after the successful pilot, the scheme is to be rolled out pan-India to cover 28 crore+ shramiks.

Plan Options

Benefit	Plan A — Rs. 10 L (Rs. 499)	Plan B — Rs. 5 L (Rs. 289)

16. Recent Updates — What's New (2024–2026)

This section flags the key changes incorporated in this edition so that aspirants can quickly see what has been updated from older study material. Each item is verified against the official IPPB website (now on the RBI-mandated .bank.in domain) and Government press releases.

Website / Domain Migration

- IPPB's official website has migrated to **www.ippbonline.bank.in** under the RBI mandate requiring banks to move to the exclusive '.bank.in' domain. Older bookmarks to ippbonline.com may redirect or become invalid.

New Savings-Account Products

- **Premium Sampoorna Savings Account** — annual subscription Rs. 199 + GST (renewal Rs. 149 + GST), with Cyber Insurance up to Rs. 25,000 and wellness benefits; SMS alerts free.
- **Premium Surakshit Savings Account** — annual subscription Rs. 149 + GST (renewal Rs. 99 + GST), with Cyber Insurance up to Rs. 25,000 and wellness benefits.
- **Self Help Group (SHG) Account** — a dedicated savings account for SHGs; no nomination / POSA / Virtual Debit Card / Standing Instruction; one free physical monthly statement.

Scale & Milestones

- IPPB crossed 12 crore+ customers and Rs. 20,000 crore+ in deposits.
- IPPB reported its **first-ever net profit of approximately Rs. 134 crore in FY 2024-25**, with revenue crossing Rs. 2,000 crore.
- Services are available in 13 languages, reaching about 5.57 lakh villages and towns through roughly 1.64 lakh post offices and about 1.90 lakh Postmen / Gramin Dak Sevaks.

Remittance & Authentication

- International Inward Remittance via **Ria Money Transfer** (partnership launched June 2024) enables cross-border money to be received into IPPB accounts / paid out at access points.
- Aadhaar Face Authentication is being progressively enabled for paperless, OTP-free onboarding and transactions at the doorstep.

Sources & Currency

All figures, charges, interest rates and product details in this booklet were verified against the following primary / official sources and are stated as in force in **June 2026**. Aspirants must always reconfirm against the latest position before an examination, as rates and charges are revised from time to time.

- India Post Payments Bank — official website, www.ipponline.bank.in (Rates & Charges; product pages for Premium Sampoorna, Premium Surakshit, Self Help Group, Digital Savings, Aarogya; Digital Life Certificate; Antyodaya Shramik Suraksha Yojana).
- Press Information Bureau (PIB) releases on IPPB's 8th Foundation Day (1 September 2025) — customer base, deposits, FY 2024-25 net profit and reach figures.
- Department of Financial Services, Ministry of Finance — financialservices.gov.in (PMJJBY premium and scheme terms).

- Department of Posts / CEPT — ccc.cept.gov.in (doorstep service-request booking for DLC).

Verification Note

Interest rates shown (2.00% up to Rs. 1 lakh; 2.25% above Rs. 1 lakh up to Rs. 2 lakh) are the IPPB savings rates in force per the ALCO revision effective 1 June 2022, and remained unchanged as of June 2026. The maximum end-of-day balance for regular savings/current accounts is Rs. 2,00,000 (Rs. 1,00,000 for DigiSmart). Every product schedule-of-charges table, the remittance/limit tables, the doorstep-banking charge, the DLC, CELC, POSA-linkage, SMS/Missed-Call and Antyodaya tables in this booklet were re-verified line-by-line against the official IPPB website (ippbonline.bank.in) on June 2026. Items that are not published on the public site — the Finacle CBS menu codes, the Group Accident Guard / Group Personal Accident premium-and-benefit schedules, and the postman/GDS (Level-0) incentive amounts — are reproduced from IPPB's internal agent circulars and could not be independently re-confirmed; treat those as indicative and verify against the latest circular before relying on them in an examination.
