## JAN SURAKSHA SCHEMES

**PMJJBY • PMSBY • APY**

*Social Security Schemes under the Department of Posts*

**For LDCE IP & PS Group-B Departmental Examinations**

*Updated as per latest Notifications & Circulars (June 2026)*

### DISCLAIMER

*This booklet has been prepared strictly from an examination point of view. While every effort has been made to ensure accuracy and to incorporate the most recent changes, amendments, notifications and circulars relating to the relevant Schemes, Acts, Rules and Regulations, this document is intended as a study aid only. The figures, premium rates and provisions stated herein are based on the latest position verified from official sources as on the date of preparation and are liable to revision by the Government / regulator from time to time. Readers and aspirants are strongly advised to cross-verify against official Government sources, gazette notifications and the Jan Suraksha portal ([jansuraksha.gov.in](http://jansuraksha.gov.in)) / PFRDA ([pfrda.org.in](http://pfrda.org.in)) for the most authoritative and current information before relying on it for any official or examination purpose.*

## Introduction to the Jan Suraksha Schemes

In the Union Budget 2015-16, the Government of India announced three social-security schemes, collectively known as the **Jan Suraksha Schemes**, with the objective of building a universal social-security system for all Indians — especially the poor, the underprivileged and workers in the unorganised sector. The three schemes were formally launched by the Prime Minister at Kolkata on **9th May 2015**.

These schemes are deeply relevant to the **Department of Posts (DoP)**, because every Post Office Savings Bank (POSB) account holder can be enrolled, and the post office acts as a participating institution (much like a bank) for enrolment, premium auto-debit and claim facilitation. For a departmental aspirant, the key is to remember the three schemes by **what each protects against**:

- **PMJJBY** — a **life-insurance** scheme (covers death due to **any** cause).
- **PMSBY** — an **accident-insurance** scheme (covers death or disability due to an **accident** only).
- **APY** — a **pension** scheme (guaranteed monthly pension after the age of 60).

### QUICK MEMORY HOOK

**Jeevan Jyoti** = **Jeevan (Life)** → life cover for any cause of death.

**Suraksha (Safety)** = **Accident** → accident death/disability cover.

**Atal Pension** = **Pension** → old-age income security.

## Snapshot — The Three Schemes at a Glance

Before studying each scheme in detail, the following comparative table captures the points most frequently tested. Commit the distinguishing figures (age limits, premium, cover) to memory first; the operational detail follows in the sections below.

| Feature                       | PMJJBY                              | PMSBY                                            | APY                                   |
|-------------------------------|-------------------------------------|--------------------------------------------------|---------------------------------------|
| Nature of scheme              | Life insurance (death by any cause) | Accident insurance (death/disability)            | Guaranteed pension                    |
| Entry age                     | 18 – 50 years                       | 18 – 70 years                                    | 18 – 40 years                         |
| Maturity / exit age           | Cover up to 55 years                | Cover up to 70 years                             | Pension from 60 years                 |
| Annual premium / contribution | Rs. 436                             | Rs. 20                                           | Age-based monthly contribution        |
| Benefit / cover               | Rs. 2 lakh on death                 | Rs. 2 lakh (death/full);<br>Rs. 1 lakh (partial) | Rs. 1,000 – Rs. 5,000 monthly pension |
| Administered / regulated by   | LIC & other life insurers           | PSGICs & other general insurers                  | PFRDA                                 |
| KYC                           | Aadhaar (primary)                   | Aadhaar (primary)                                | Aadhaar & mobile (desirable)          |

## Pradhan Mantri Jeevan Jyoti Bima Yojana (PMJJBY)

### AT A GLANCE

**Type:** One-year renewable **life** insurance (death due to any cause).

**Age:** 18 – 50 years (entry) | **Cover continues up to:** 55 years.

**Premium:** Rs. 436 p.a. | **Benefit:** Rs. 2 lakh.

**Cover period:** 1st June to 31st May.

### 1. Details of the Scheme

PMJJBY is an insurance scheme offering **life-insurance cover for death due to any reason**. It is a **one-year cover, renewable from year to year**. The scheme is offered / administered through the **Life Insurance Corporation of India (LIC)** and other life-insurance companies willing to offer the product on similar terms, with the necessary approvals and tie-ups with Banks / Post Office. Participating banks / post offices are free to engage any such life-insurance company to implement the scheme for their subscribers.

### 2. Scope of Coverage

All individual account holders of participating banks / Post Office in the age group of **18 to 50 years** are entitled to join. Where an individual holds **multiple accounts** in one or different banks / post offices, he/she is eligible to join the scheme through **one account only**. **Aadhaar** is the primary KYC for the bank / Post Office account.

### 3. Enrolment Period & Pro-rata Premium

The cover runs for a one-year period stretching from **1st June to 31st May**, for which the option to join / pay by auto-debit from the designated individual account is to be given **by 31st May** of every year. Delayed enrolment for prospective cover is possible on payment of **pro-rata premium**, depending on the quarter of entry, as below:

| Quarter of Enrolment                       | Premium Payable               |
|--------------------------------------------|-------------------------------|
| June, July, August (1st quarter)           | Full annual premium — Rs. 436 |
| September, October, November (2nd quarter) | Rs. 342                       |
| December, January, February (3rd quarter)  | Rs. 228                       |
| March, April, May (4th quarter)            | Rs. 114                       |

**Note:** Pro-rata premium applies only to **first-time / fresh** enrolment during the year. At the time of **renewal**, the **full annual premium of Rs. 436** is payable, irrespective of the month.

#### 4. Enrolment Modality

At enrolment, the subscriber submits the prescribed form opting to join / pay by **auto-debit** from the designated account. For first-time enrolment in the middle of the policy period, pro-rata premium (as in the table above) applies, and **risk commences from the date of auto-debit** of the premium — subject, however, to the lien period described below.

##### **LIEN PERIOD (Important — frequently tested)**

For subscribers enrolling for the **first time**, insurance cover for death **other than due to accident** is **not available during the first 30 days** from the date of enrolment (the **lien period**). If such (non-accidental) death occurs during these 30 days, **no claim is admissible**.

**Death due to accident** is **EXEMPT** from the lien period — i.e., an accidental-death claim is payable even within the first 30 days.

New entrants, or earlier-eligible persons who did not join or who discontinued, may join later while the scheme continues — again subject to the **30-day lien period**.

**Effective from:** the lien clause has been part of the revised rules **w.e.f. 1st June 2022**.

#### 5. Benefits

**Rs. 2 lakh** is payable on the member's death due to **any** cause.

#### 6. Premium

**Rs. 436 per annum per member.** The premium is deducted from the account holder's bank / Post Office account through the **auto-debit** facility in **one instalment**, as per the option given at enrolment. Delayed enrolment for prospective cover after 31st May is possible on payment of the pro-rata premium described in Para 3.

##### **STATUTORY UPDATE — Premium Revision (w.e.f. 01.06.2022)**

The premium was revised **from Rs. 330 to Rs. 436** per annum per subscriber vide notification dated **31.05.2022** (Revised Rules for PMJJBY, Department of Financial Services). The earlier rate of Rs. 330 is **no longer in force** — always quote **Rs. 436**.

## 7. Eligibility Conditions

Individual account holders of participating banks / Post Office aged between **18 years (completed)** and **50 years (age nearer birthday)** who give consent to join / enable auto-debit, as per the modality above, are enrolled into the scheme.

## 8. Master Policy Holder

The **participating Banks / Post Office** are the **Master Policy Holders**. A simple and subscriber-friendly administration and claim-settlement process has been finalised by LIC / other insurers in consultation with the participating banks / post offices.

## 9. Termination of Assurance

The assurance on the member's life terminates on **any** of the following events, and no benefit becomes payable thereunder:

- On attaining age **55 years (age near birthday)**, subject to annual renewal up to that date. **Entry, however, is not possible beyond the age of 50 years.**
- **Closure of the account** with the Bank / Post Office, or **insufficiency of balance** to keep the insurance in force.
- If a member is covered through **more than one account** and premium is received by LIC / the insurer inadvertently, the cover is **restricted to Rs. 2 lakh** and the premium paid for the **duplicate** insurance(s) is **liable to be forfeited**.

## 10. Administration

Subject to the above, the scheme is administered by the **LIC P&GS Units / other insurance companies**. It is the responsibility of the participating bank / Post Office to recover the appropriate annual premium in one instalment, as per the option, from the account holders **on or before the due date** through the auto-debit process.

## 11. Appropriation of Premium

The annual premium of Rs. 436 (or the applicable pro-rata amount) is appropriated between the insurer, the business correspondent / agent (for **new** enrolments) and the participating bank / post office as follows:

| Component of Premium                              | Rs. 436 | Rs. 342   | Rs. 228 | Rs. 114  |
|---------------------------------------------------|---------|-----------|---------|----------|
| Insurance premium to LIC / insurer                | Rs. 395 | Rs. 309   | Rs. 206 | Rs. 103  |
| Commission to BC / agents (new enrolment only)    | Rs. 30  | Rs. 22.50 | Rs. 15  | Rs. 7.50 |
| Administrative expense to participating bank / PO | Rs. 11  | Rs. 10.50 | Rs. 7   | Rs. 3.50 |

## Pradhan Mantri Suraksha Bima Yojana (PMSBY)

### AT A GLANCE

**Type:** One-year renewable **accident** insurance (death / disability due to accident).

**Age:** 18 – 70 years (entry & cover).

**Premium:** Rs. 20 p.a. | **Benefit:** Rs. 2 lakh (death / full disability), Rs. 1 lakh (partial).

**Cover period:** 1st June to 31st May.

### 1. Details of the Scheme

PMSBY is an **Accident-Insurance Scheme** offering accidental **death and disability** cover for death or disability on account of an accident. It is a **one-year cover, renewable from year to year**. The scheme is offered / administered through **Public Sector General Insurance Companies (PSGICs)** and other general-insurance companies willing to offer the product on similar terms, with the necessary approvals and tie-ups with Banks / Post Office. Participating banks / post offices are free to engage any such insurer to implement the scheme for their subscribers.

### 2. Scope of Coverage

All individual account holders in the age group of **18 to 70 years** in participating banks / Post Office are entitled to join. Where an individual holds **multiple accounts**, he/she is eligible to join through **one account only**. **Aadhaar** is the primary KYC for the account.

### 3. Enrolment Modality / Period

The cover runs for the one-year period from **1st June to 31st May**, for which the option to join / pay by auto-debit is to be given **by 31st May** of every year. Joining subsequently is possible on payment of the **full annual premium** (note: unlike PMJJBY, PMSBY does **not** have a pro-rata premium slab — the full Rs. 20 is payable).

### 4. Benefits — Table of Benefits

The sum insured payable under the scheme on death or disability due to an accident is as follows:

| Nature of Accidental Loss                                                                                                                         | Sum Insured |
|---------------------------------------------------------------------------------------------------------------------------------------------------|-------------|
| a. Death                                                                                                                                          | Rs. 2 lakh  |
| b. Total & irrecoverable loss of both eyes, or loss of use of both hands or feet, or loss of sight of one eye AND loss of use of one hand or foot | Rs. 2 lakh  |
| c. Total & irrecoverable loss of sight of one eye, or loss of use of one hand or foot                                                             | Rs. 1 lakh  |

**Key point:** PMSBY covers **only accidental** death / disability. A natural death (not caused by an accident) is **not** covered under PMSBY — that risk is covered under PMJJBY. "Accident" means a **sudden, unforeseen and involuntary event caused by external, visible and violent means**.

## 5. Premium

**Rs. 20 per annum per member.** The premium is deducted from the account holder's bank / Post Office account through the **auto-debit** facility in one instalment **on or before 1st June** of each annual coverage period.

### STATUTORY UPDATE — Premium Revision (w.e.f. 01.06.2022)

The premium was revised **from Rs. 12 to Rs. 20** per annum per member vide notification dated 31.05.2022. The earlier Rs. 12 rate is **no longer in force** — always quote **Rs. 20**.

## 6. Eligibility Conditions

Individual account holders of participating banks / Post Office aged between **18 years (completed)** and **70 years (age nearer birthday)** who give consent to join / enable auto-debit are enrolled into the scheme.

## 7. Termination of Cover

The accident cover terminates on **any** of the following events, and no benefit is payable thereunder:

- On attaining age **70 years (age nearest birthday)**.
- **Closure of the account**, or **insufficiency of balance** to keep the insurance in force.

- If a member is covered through **more than one account** and premium is received inadvertently, cover is **restricted to one account only**, and the premium for the **duplicate** insurance(s) is **liable to be forfeited**.

 **EXAM TIP — PMJJBY vs PMSBY**

Both share the **1 June – 31 May** cover period, **Aadhaar KYC**, **auto-debit** premium and the **one-account** rule. The examiner usually tests the **differences**: entry age (50 vs 70), premium (436 vs 20), cause of death covered (any cause vs accident only), and the **30-day lien** which exists in **PMJJBY only** (PMSBY has no lien period).

## Atal Pension Yojana (APY)

### AT A GLANCE

**Type:** Guaranteed minimum **pension** scheme for the unorganised sector.

**Age:** 18 – 40 years (entry) | **Pension starts at:** 60 years.

**Pension slabs:** Rs. 1,000 / 2,000 / 3,000 / 4,000 / 5,000 per month.

**Regulator:** PFRDA | **CRA:** Protean eGov Technologies Ltd (formerly NSDL e-Gov).

### 1. Objective and Administration

Atal Pension Yojana (APY) is a pension scheme for citizens of India, focused on **unorganised-sector workers**. Under APY, a guaranteed minimum pension of **Rs. 1,000, 2,000, 3,000, 4,000 or 5,000 per month** is payable from the age of **60 years**, depending on the subscriber's contributions. The scheme is administered by the **Pension Fund Regulatory and Development Authority (PFRDA)** and was launched **w.e.f. 1st June 2015**.

#### **STATUTORY UPDATE — Continuation of APY (Cabinet, 2025)**

The Union Cabinet has approved the **continuation of APY till 2030-31**, along with extended funding support for promotional, developmental and gap-funding activities. The scheme remains India's flagship guaranteed-pension scheme for the unorganised sector and continues to be open for fresh enrolment.

**Status:** Confirmed from PFRDA's official communication. Aspirants should note the scheme is **active and continuing** — not discontinued.

### 2. Eligibility Criteria

- **Citizenship:** Open to **all citizens of India**.
- **Age:** The subscriber must be between **18 and 40 years**.
- **Savings Account:** The subscriber must have a **savings bank account** or a **post-office savings bank account**.
- **KYC:** Aadhaar and mobile number are recommended (desirable) to facilitate periodic updates on the APY account. APY is included under **Section 7 of the Aadhaar Act**.

### 3. Ineligibility — The "Income-Tax Payer" Clause

#### STATUTORY UPDATE (w.e.f. 01.10.2022)

From 1st October 2022, any citizen who is or has been an income-tax payer shall NOT be eligible to join APY.

**Definition:** "income-tax payer" means a person liable to pay income-tax under the Income Tax Act, 1961, as amended from time to time.

**Action on violation:** If a subscriber who joined **on or after 1st October 2022** is later found to have been an income-tax payer **on or before the date of application**, the APY account is **closed** and the accumulated pension wealth till date is returned to the subscriber.

### 4. Contribution Framework

- **Frequency:** Subscribers may opt for **Monthly, Quarterly or Half-yearly** contribution.
- **Mode:** Contributions are collected by **auto-debit** from the savings / post-office savings bank account.
- **First contribution:** Deducted at the time of registration itself.
- **Due date — Monthly:** first day of the month, or any day up to the last day of the month.
- **Due date — Quarterly:** first day of the quarter, or any day up to the last day of the quarter.
- **Due date — Half-yearly:** first day of the half-year, or any day up to the last day of the half-year.

The **contribution amount depends on the age of entry and the chosen pension slab** — the earlier one joins, the lower the monthly contribution (because contributions accumulate over a longer period). The contribution is fixed at entry and remains constant till age 60.

### 5. Penalty for Delayed Contributions

If the subscriber fails to maintain the required balance for valid auto-debit, the account is treated as in default. An **additional amount** for delayed payment is collected as follows:

| Monthly Contribution          | Penalty (per month) |
|-------------------------------|---------------------|
| Up to Rs. 100                 | Re. 1               |
| Above Rs. 100 up to Rs. 500   | Rs. 2               |
| Above Rs. 500 up to Rs. 1,000 | Rs. 5               |
| Above Rs. 1,000               | Rs. 10              |

## 6. Discontinuation of Payments (Dormancy Rules)

If no contribution is made to the APY account, the following consequences follow:

- After **6 months** — the account is **frozen**.
- After **12 months** — the account is **deactivated**.
- After **24 months** — the account is **closed**.

### 🔗 MEMORY HOOK — 6/12/24

6 → **Frozen**, 12 → **Deactivated**, 24 → **Closed**. A simple doubling sequence (6, 12, 24 months) — easy to recall under exam pressure.

## 7. Exit and Withdrawal Rules

### A. On attaining the age of 60 years

- The subscriber submits a request to the associated bank / post office for drawing the guaranteed minimum monthly pension.
- The **same pension** is payable to the **Spouse** (the **default nominee**) upon the death of the subscriber.
- **Return of corpus:** On the death of **both** the subscriber and the spouse, the pension wealth accumulated till age 60 (the **Indicative Corpus**) is returned to the **nominee**.

### B. Exit before the age of 60 years (Voluntary Exit)

- Voluntary exit is **permitted**.
- **Refund:** The subscriber is refunded the accumulated pension wealth (own contribution + interest earned on it).
- **Note:** Any Government **co-contribution** (relevant only for eligible pre-2016 joiners) and the interest accrued on it is **not** returned to the subscriber — it is returned to the **Government**.

### C. Exit due to Death before 60 years

- **Option 1 (Continue):** The spouse may **continue** the account in his/her own name and contribute for the remaining period until the original subscriber would have attained age 60.
- **Option 2 (Exit):** The **entire accumulated corpus** (subscriber + Government contribution + interest) is returned to the spouse / nominee.

### 8. Indicative Corpus Returnable to Nominee

The amount returned to the nominee after the death of **both** the subscriber and the spouse is fixed by the pension slab, as below:

| Guaranteed Monthly Pension | Indicative Corpus Returned to Nominee |
|----------------------------|---------------------------------------|
| Rs. 1,000                  | Rs. 1.7 lakh                          |
| Rs. 2,000                  | Rs. 3.4 lakh                          |
| Rs. 3,000                  | Rs. 5.1 lakh                          |
| Rs. 4,000                  | Rs. 6.8 lakh                          |
| Rs. 5,000                  | Rs. 8.5 lakh                          |

#### MEMORY HOOK — Corpus is pension $\times$ 170

The Indicative Corpus = **monthly pension  $\times$  170**. So Rs. 1,000  $\rightarrow$  Rs. 1.7 lakh, Rs. 5,000  $\rightarrow$  Rs. 8.5 lakh. Remember the multiplier **170** and you can reconstruct the whole table.

### 9. Grievance Redressal & Record-Keeping

The subscriber may raise a grievance with **Protean eGov Technologies Ltd (formerly NSDL e-Gov)**, which acts as the **Central Recordkeeping Agency (CRA)** for APY. The toll-free helpline for existing APY subscribers is **1800-889-1030 (CRA)** and for prospective subscribers **1800-110-069 (PFRDA)**.

## Quick Revision – Key Figures to Memorise

The following consolidated figures are the most frequently examined. Review them on the day before the examination.

| Point                             | PMJJBY                 | PMSBY                     | APY                  |
|-----------------------------------|------------------------|---------------------------|----------------------|
| Launch year                       | 2015                   | 2015                      | 2015 (1 June)        |
| Entry age                         | 18 – 50                | 18 – 70                   | 18 – 40              |
| Cover / pension age               | Up to 55               | Up to 70                  | From 60              |
| Premium / contribution            | Rs. 436 p.a.           | Rs. 20 p.a.               | Age-based            |
| Benefit                           | Rs. 2 lakh             | Rs. 2 lakh / 1 lakh       | Rs. 1,000–5,000 p.m. |
| Lien period                       | 30 days (non-accident) | None                      | Not applicable       |
| Covers                            | Death (any cause)      | Accident death/disability | Old-age pension      |
| Regulator / administrator         | LIC + life insurers    | PSGICs + general insurers | PFRDA                |
| Premium revised (w.e.f. 1.6.2022) | 330 → 436              | 12 → 20                   | —                    |

### ☒ FINAL CHECKLIST

**PMJJBY:** life cover, 18–50, Rs. 436, Rs. 2 lakh, 30-day lien (accidents exempt), cover to 55.

**PMSBY:** accident cover, 18–70, Rs. 20, Rs. 2 lakh / Rs. 1 lakh, no lien, cover to 70.

**APY:** pension, 18–40, pension from 60, slabs Rs. 1,000–5,000, corpus = pension × 170, income-tax payers barred since 1.10.2022, dormancy 6/12/24.

**All three:** Post Office is a participating institution; Aadhaar KYC; auto-debit premium; cover year 1 June – 31 May (insurance schemes).
