Explanation.— For the purposes of clauses (a) and (b)—

(i) the supply shall be deemed to have been made to the extent it is covered by the invoice or, as the case may be, the payment;

(ii) "the date of receipt of payment" shall be the date on which the payment is entered in the books of account of the supplier or the date on which the payment is credited to his bank account, whichever is earlier.

(3) In case of supplies in respect of which tax is paid or liable to be paid on reverse charge basis, the time of supply shall be the earlier of the following dates, namely:—

(a) the date of payment as entered in the books of account of the recipient or the date on which the payment is debited in his bank account, whichever is earlier; or

(b) the date immediately following **sixty days** from the date of issue of invoice or any other document, by whatever name called, in lieu thereof by the supplier, in cases where invoice is required to be issued by the supplier; or

 **LEGISLATIVE NOTE:** The words "in cases where invoice is required to be issued by the supplier; or" were substituted for "by the supplier:" by the **Finance (No. 2) Act, 2024** (Act 15 of 2024), s. 117 (w.e.f. **1st November, 2024**).

(c) the date of issue of invoice by the recipient, in cases where invoice is to be issued by the recipient:

 **LEGISLATIVE NOTE:** Clause (c) was inserted by the **Finance (No. 2) Act, 2024** (Act 15 of 2024), s. 117 (w.e.f. **1st November, 2024**). This new clause addresses the time of supply in reverse charge scenarios where the recipient (not the supplier) is required to issue the invoice — such as supplies from unregistered persons or imports of services.

Provided that where it is not possible to determine the time of supply under clause (a) or clause (b) or clause (c), the time of supply shall be the date of entry in the books of account of the recipient of supply:

Provided further that in case of supply by associated enterprises, where the supplier of service is located outside India, the time of supply shall be the date of entry in the books of account of the recipient of supply or the date of payment, whichever is earlier.

(4) In case of supply of vouchers by a supplier, the time of supply shall be—

- (a) the date of issue of voucher, if the supply is identifiable at that point; or
- (b) the date of redemption of voucher, in all other cases.

(5) Where it is not possible to determine the time of supply under the provisions of sub-section (2) or sub-section (3) or sub-section (4), the time of supply shall—

- (a) in a case where a periodical return has to be filed, be the date on which such return is to be filed; or
- (b) in any other case, be the date on which the tax is paid.

(6) The time of supply to the extent it relates to an addition in the value of supply by way of interest, late fee or penalty for delayed payment of any consideration shall be the date on which the supplier receives such addition in value.

Section 14. Change in rate of tax in respect of supply of goods or services.

Notwithstanding anything contained in section 12 or section 13, the time of supply, where there is a change in the rate of tax in respect of goods or services or both, shall be determined in the following manner, namely:—

(a) in case the goods or services or both have been supplied **before** the change in rate of tax,—

(i) where the invoice for the same has been issued and the payment is also received **after** the change in rate of tax, the time of supply shall be the date of receipt of payment or the date of issue of invoice, whichever is earlier; or

(ii) where the invoice has been issued **prior to** the change in rate of tax but payment is received **after** the change in rate of tax, the time of supply shall be the date of issue of invoice; or

(iii) where the payment has been received **before** the change in rate of tax, but the invoice for the same is issued **after** the change in rate of tax, the time of supply shall be the date of receipt of payment;

(b) in case the goods or services or both have been supplied **after** the change in rate of tax,—

(i) where the payment is received **after** the change in rate of tax but the invoice has been issued **prior to** the change in rate of tax, the time of supply shall be the date of receipt of payment; or

(ii) where the invoice has been issued and payment is received **before** the change in rate of tax, the time of supply shall be the date of receipt of payment or date of issue of invoice, whichever is earlier; or

(iii) where the invoice has been issued **after** the change in rate of tax but the payment is received **before** the change in rate of tax, the time of supply shall be the date of issue of invoice:

Provided that the date of receipt of payment shall be the date of credit in the bank account if such credit in the bank account is after **four working days** from the date of change in the rate of tax.

Explanation.— For the purposes of this section, "the date of receipt of payment" shall be the date on which the payment is entered in the books of account of the supplier or the date on which the payment is credited to his bank account, whichever is earlier.

Section 15. Value of taxable supply.

(1) The value of a supply of goods or services or both shall be the transaction value, which is the price actually paid or payable for the said supply of goods or services or both where the supplier and the recipient of the supply are not related and the price is the sole consideration for the supply.

(2) The value of supply shall include—

(a) any taxes, duties, cesses, fees and charges levied under any law for the time being in force other than this Act, the State Goods and Services Tax Act, the Union Territory Goods and Services Tax Act and the Goods and Services Tax (Compensation to States) Act, if charged separately by the supplier;

(b) any amount that the supplier is liable to pay in relation to such supply but which has been incurred by the recipient of the supply and not included in the price actually paid or payable for the goods or services or both;

(c) incidental expenses, including commission and packing, charged by the supplier to the recipient of a supply and any amount charged for anything done by the supplier in respect of the supply of goods or services or both at the time of, or before delivery of goods or supply of services;

(d) interest or late fee or penalty for delayed payment of any consideration for any supply; and

(e) subsidies directly linked to the price excluding subsidies provided by the Central Government and the State Governments.

Explanation.— For the purposes of this sub-section, the amount of subsidy shall be included in the value of supply of the supplier who receives the subsidy.

(3) The value of the supply shall not include any discount which is given—

(a) before or at the time of the supply if such discount has been duly recorded in the invoice issued in respect of such supply; and

(b) after the supply has been effected, if—

(i) such discount is established in terms of an agreement entered into at or before the time of such supply and specifically linked to relevant invoices; and

(ii) input tax credit as is attributable to the discount on the basis of document issued by the supplier has been reversed by the recipient of the supply.

(4) Where the value of the supply of goods or services or both cannot be determined under sub-section (1), the same shall be determined in such manner as may be prescribed.

(5) Notwithstanding anything contained in sub-section (1) or sub-section (4), the value of such supplies as may be notified by the Government on the recommendations of the Council shall be determined in such manner as may be prescribed.

Explanation.— For the purposes of this Act,—

- (a) persons shall be deemed to be "related persons" if—
- (i) such persons are officers or directors of one another's businesses;
 - (ii) such persons are legally recognised partners in business;

(b) he has received the goods or services or both.

Explanation.— For the purposes of this clause, it shall be deemed that the registered person has received the goods or, as the case may be, services—

- The words "or section 43A" were omitted by Act 6 of 2022, s. 100 (w.e.f. **1st October, 2022**).

(d) he has furnished the return under section 39:

Provided that where the goods against an invoice are received in lots or instalments, the registered person shall be entitled to take credit upon receipt of the last lot or instalment:

Provided further that where a recipient fails to pay to the supplier of goods or services or both, other than the supplies on which tax is payable on reverse charge basis, the amount towards the value of supply along with tax payable thereon within a period of **one hundred and eighty days** from the date of issue of invoice by the supplier, an amount equal to the input tax credit availed by the recipient shall be paid by him along with interest payable under section 50, in such manner as may be prescribed:

 **LEGISLATIVE NOTE:** "paid by him along with interest payable under section 50" was substituted for "added to his output tax liability, along with interest thereon" by Act 8 of 2023, s. 138 (w.e.f. **1st October, 2023**).

Provided also that the recipient shall be entitled to avail of the credit of input tax on payment made by him to the supplier of the amount towards the value of supply of goods or services or both along with tax payable thereon.

 LEGISLATIVE NOTE:

- "thirtieth day of November" was substituted for "due date of furnishing of the return under section 39 for the month of September" by Act 6 of 2022, s. 100 (w.e.f. **1st October, 2022**).
- The words "invoice relating to such" were omitted by Act 12 of 2020, s. 120 (w.e.f. **1st January, 2021**).

Provided that the registered person shall be entitled to take input tax credit after the due date of furnishing of the return under section 39 for the month of September, 2018 till the due date of furnishing of the return under the said section for the month of March, 2019 in respect of any invoice or invoice relating to such debit note for supply of goods or services or both made during the financial year 2017-18, the details of which have been uploaded by the supplier under sub-section (1) of section 37 till the due date for furnishing the details under sub-section (1) of said section for the month of March, 2019.

(6) Where registration of a registered person is cancelled under section 29 and subsequently the cancellation of registration is revoked by any order, either under section 30 or pursuant to any order made by the Appellate Authority or the Appellate Tribunal or court and where availment of input tax credit in respect of an invoice or debit note was not restricted under sub-section (4) on the date of order of cancellation of registration, the said person shall be entitled to take the input tax credit in respect of such invoice or debit note for supply of goods or services or both, in a return under section 39,—

(i) filed up to **thirtieth day of November** following the financial year to which such invoice or debit note pertains or furnishing of the relevant annual return, whichever is earlier; or

 **LEGISLATIVE NOTE:** Sub-section (6) was inserted by the **Finance (No. 2) Act, 2024** (Act 15 of 2024), s. 118 (w.e.f. **1st July, 2017**) — with retrospective effect.

Section 17. Apportionment of credit and blocked credits.

(1) Where the goods or services or both are used by the registered person partly for the purpose of any business and partly for other purposes, the amount of credit shall be restricted to so much of the input tax as is attributable to the purposes of his business.

(2) Where the goods or services or both are used by the registered person partly for effecting taxable supplies including zero-rated supplies under this Act or under the Integrated Goods and Services Tax Act and partly for effecting exempt supplies under the said Acts, the amount of credit shall be restricted to so much of the input tax as is attributable to the said taxable supplies including zero-rated supplies.

(3) The value of exempt supply under sub-section (2) shall be such as may be prescribed, and shall include supplies on which the recipient is liable to pay tax on reverse charge basis, transactions in securities, sale of land and, subject to clause (b) of paragraph 5 of Schedule II, sale of building.

Explanation.— For the purposes of this sub-section, the expression "value of exempt supply" shall not include the value of activities or transactions specified in Schedule III, except,—

(i) the value of activities or transactions specified in paragraph 5 of the said Schedule; and

(ii) the value of such activities or transactions as may be prescribed in respect of clause (a) of paragraph 8 of the said Schedule.

 LEGISLATIVE NOTE:

- The Explanation was inserted by Act 31 of 2018, s. 9 (w.e.f. **1st February, 2019**).
- The exception clause was substituted by Act 8 of 2023, s. 139 for "except those specified in paragraph 5 of the said Schedule" (w.e.f. **1st October, 2023**), expanding the scope to also cover prescribed activities under paragraph 8(a) of Schedule III.

(4) A banking company or a financial institution including a non-banking financial company, engaged in supplying services by way of accepting deposits, extending loans or advances shall have the option to either comply with the provisions of sub-section (2), or avail of, every month, an amount equal to **fifty per cent.** of the eligible input tax credit on inputs, capital goods and input services in that month and the rest shall lapse:

Provided that the option once exercised shall not be withdrawn during the remaining part of the financial year:

Provided further that the restriction of **fifty per cent.** shall not apply to the tax paid on supplies made by one registered person to another registered person having the same Permanent Account Number.

(5) Notwithstanding anything contained in sub-section (1) of section 16 and sub-section (1) of section 18, input tax credit shall not be available in respect of the following, namely:—

(a) motor vehicles for transportation of persons having approved seating capacity of not more than **thirteen persons** (including the driver), except when they are used for making the following taxable supplies, namely:—

(A) further supply of such motor vehicles; or

(B) transportation of passengers; or

(C) imparting training on driving such motor vehicles;

(aa) vessels and aircraft except when they are used —

(i) for making the following taxable supplies, namely:—

(A) further supply of such vessels or aircraft; or

(B) transportation of passengers; or

(C) imparting training on navigating such vessels; or

(D) imparting training on flying such aircraft;

(ii) for transportation of goods;

(ab) services of general insurance, servicing, repair and maintenance in so far as they relate to motor vehicles, vessels or aircraft referred to in clause (a) or clause (aa):

Provided that the input tax credit in respect of such services shall be available—

(i) where the motor vehicles, vessels or aircraft referred to in clause (a) or clause (aa) are used for the purposes specified therein;

(ii) where received by a taxable person engaged—

(I) in the manufacture of such motor vehicles, vessels or aircraft; or

(II) in the supply of general insurance services in respect of such motor vehicles, vessels or aircraft insured by him;

 **LEGISLATIVE NOTE:** Clauses (a), (aa), (ab) and (b) were substituted for the earlier clauses (a) and (b) by Act 31 of 2018, s. 9 (w.e.f. **1st February, 2019**).

(b) the following supply of goods or services or both—

(i) food and beverages, outdoor catering, beauty treatment, health services, cosmetic and plastic surgery, leasing, renting or hiring of motor vehicles, vessels or aircraft referred to in clause (a) or clause (aa) except when used for the purposes specified therein, life insurance and health insurance:

- (ii) membership of a club, health and fitness centre; and
- (iii) travel benefits extended to employees on vacation such as leave or home travel concession:

Provided that the input tax credit in respect of such goods or services or both shall be available, where it is obligatory for an employer to provide the same to its employees under any law for the time being in force.

(c) works contract services when supplied for construction of an immovable property (other than plant and machinery) except where it is an input service for further supply of works contract service;

(d) goods or services or both received by a taxable person for construction of an immovable property (other than plant and machinery) on his own account including when such goods or services or both are used in the course or furtherance of business.

 **LEGISLATIVE NOTE:** "plant and machinery" was substituted for "plant or machinery" by the **Finance Act, 2025** (Act 7 of 2025), s. 124 (w.e.f. **1st July, 2017**) — with retrospective effect from the commencement date of GST. This amendment aligns clauses (c) and (d) by using the conjunctive "and" instead of the disjunctive "or."

Explanation.— For the purposes of clauses (c) and (d), the expression "construction" includes re-construction, renovation, additions or alterations or repairs, to the extent of capitalisation, to the said immovable property;

(e) goods or services or both on which tax has been paid under section 10;

(f) goods or services or both received by a non-resident taxable person except on goods imported by him;

(fa) goods or services or both received by a taxable person, which are used or intended to be used for activities relating to his obligations under corporate social responsibility referred to in section 135 of the Companies Act, 2013 (18 of 2013);

 **LEGISLATIVE NOTE:** Clause (fa) was inserted by Act 8 of 2023, s. 139 (w.e.f. **1st October, 2023**). This blocks ITC on CSR expenditure.

(g) goods or services or both used for personal consumption;

(h) goods lost, stolen, destroyed, written off or disposed of by way of gift or free samples; and

(i) any tax paid in accordance with the provisions of section 74 in respect of any period upto Financial Year 2023-24.

 **LEGISLATIVE NOTE:** "section 74 in respect of any period upto Financial Year 2023-24" was substituted for "sections 74, 129 and 130" by the **Finance (No. 2) Act, 2024** (Act 15 of 2024), s. 119 (w.e.f. **1st November, 2024**). This change aligns clause (i) with the new bifurcated demand framework — Sections 73/74 for periods upto FY 2023-24 and Section 74A for FY 2024-25 onward.

(6) The Government may prescribe the manner in which the credit referred to in sub-sections (1) and (2) may be attributed.

Explanation. — For the purposes of this Chapter and Chapter VI, the expression "plant and machinery" means apparatus, equipment, and machinery fixed to earth by foundation or structural support that are used for making outward supply of goods or services or both and includes such foundation and structural supports but excludes —

- (i) land, building or any other civil structures;
- (ii) telecommunication towers; and
- (iii) pipelines laid outside the factory premises.

Section 18. Availability of credit in special circumstances.

(1) Subject to such conditions and restrictions as may be prescribed —

(a) a person who has applied for registration under this Act within **thirty days** from the date on which he becomes liable to registration and has been granted such registration shall be entitled to take credit of input tax in respect of inputs held in stock and inputs contained in semi-finished or finished goods held in stock on the day immediately preceding the date from which he becomes liable to pay tax under the provisions of this Act;

Provided that the credit on capital goods shall be reduced by such percentage points as may be prescribed;

(d) where an exempt supply of goods or services or both by a registered person becomes a taxable supply, such person shall be entitled to take credit of input tax in respect of inputs held in stock and inputs contained in semi-finished or finished goods held in stock relating to such exempt supply and on capital goods exclusively used for such exempt supply on the day immediately preceding the date from which such supply becomes taxable:

Provided that the credit on capital goods shall be reduced by such percentage points as may be prescribed.

(2) A registered person shall not be entitled to take input tax credit under sub-section (1) in respect of any supply of goods or services or both to him after the expiry of **one year** from the date of issue of tax invoice relating to such supply.

(3) Where there is a change in the constitution of a registered person on account of sale, merger, demerger, amalgamation, lease or transfer of the business with the specific provisions for transfer of liabilities, the said registered person shall be allowed to transfer the input tax credit which remains unutilised in his electronic credit ledger to such sold, merged, demerged, amalgamated, leased or transferred business in such manner as may be prescribed.

(4) Where any registered person who has availed of input tax credit opts to pay tax under section 10 or, where the goods or services or both supplied by him become wholly exempt, he shall pay an amount, by way of debit in the electronic credit ledger or

electronic cash ledger, equivalent to the credit of input tax in respect of inputs held in stock and inputs contained in semi-finished or finished goods held in stock and on capital goods, reduced by such percentage points as may be prescribed, on the day immediately preceding the date of exercising of such option or, as the case may be, the date of such exemption:

Provided that after payment of such amount, the balance of input tax credit, if any, lying in his electronic credit ledger shall lapse.

(5) The amount of credit under sub-section (1) and the amount payable under sub-section (4) shall be calculated in such manner as may be prescribed.

(6) In case of supply of capital goods or plant and machinery, on which input tax credit has been taken, the registered person shall pay an amount equal to the input tax credit taken on the said capital goods or plant and machinery reduced by such percentage points as may be prescribed or the tax on the transaction value of such capital goods or plant and machinery determined under section 15, whichever is higher:

Provided that where refractory bricks, moulds and dies, jigs and fixtures are supplied as scrap, the taxable person may pay tax on the transaction value of such goods determined under section 15.

Section 19. Taking input tax credit in respect of inputs and capital goods sent for job work.

(1) The principal shall, subject to such conditions and restrictions as may be prescribed, be allowed input tax credit on inputs sent to a job worker for job work.

(2) Notwithstanding anything contained in clause (b) of sub-section (2) of section 16, the principal shall be entitled to take credit of input tax on inputs even if the inputs are directly sent to a job worker for job work without being first brought to his place of business.

(3) Where the inputs sent for job work are not received back by the principal after completion of job work or otherwise or are not supplied from the place of business of the job worker in accordance with clause (a) or clause (b) of sub-section (1) of section 143

within **one year** of being sent out, it shall be deemed that such inputs had been supplied by the principal to the job worker on the day when the said inputs were sent out:

Provided that where the inputs are sent directly to a job worker, the period of **one year** shall be counted from the date of receipt of inputs by the job worker.

(4) The principal shall, subject to such conditions and restrictions as may be prescribed, be allowed input tax credit on capital goods sent to a job worker for job work.

(5) Notwithstanding anything contained in clause (b) of sub-section (2) of section 16, the principal shall be entitled to take credit of input tax on capital goods even if the capital goods are directly sent to a job worker for job work without being first brought to his place of business.

(6) Where the capital goods sent for job work are not received back by the principal within a period of **three years** of being sent out, it shall be deemed that such capital goods had been supplied by the principal to the job worker on the day when the said capital goods were sent out:

Provided that where the capital goods are sent directly to a job worker, the period of **three years** shall be counted from the date of receipt of capital goods by the job worker.

(7) Nothing contained in sub-section (3) or sub-section (6) shall apply to moulds and dies, jigs and fixtures, or tools sent out to a job worker for job work.

Explanation.— For the purpose of this section, "principal" means the person referred to in section 143.

Section 20. Manner of distribution of credit by Input Service Distributor.

(1) Any office of the supplier of goods or services or both which receives tax invoices towards the receipt of input services, including invoices in respect of services liable to tax under sub-section (3) or sub-section (4) of section 9 of this Act or under sub-section (3) or sub-section (4) of section 5 of the Integrated Goods and Services Tax Act, 2017 (13 of 2017), for or on behalf of distinct persons referred to in section 25, shall be required to be

registered as Input Service Distributor under clause (viii) of section 24 and shall distribute the input tax credit in respect of such invoices.

(2) The Input Service Distributor shall distribute the credit of central tax or integrated tax charged on invoices received by him, including the credit of central or integrated tax in respect of services subject to levy of tax under sub-section (3) or sub-section (4) of section 9 of this Act or under sub-section (3) or sub-section (4) of section 5 of the Integrated Goods and Services Tax Act, 2017 (13 of 2017), paid by a distinct person registered in the same State as the said Input Service Distributor, in such manner, within such time and subject to such restrictions and conditions as may be prescribed.

(3) The credit of central tax shall be distributed as central tax or integrated tax and integrated tax as integrated tax or central tax, by way of issue of a document containing the amount of input tax credit, in such manner as may be prescribed.

 LEGISLATIVE NOTE:

- Section 20 was substituted in its entirety by Act 8 of 2024, s. 12 (w.e.f. **1st April, 2025**). The revised ISD mechanism now mandates registration as ISD and distribution of credit for all input services received on behalf of distinct persons.
- The words "of this Act or under sub-section (3) or sub-section (4) of section 5 of the Integrated Goods and Services Tax Act, 2017 (13 of 2017)" appearing in sub-sections (1) and (2) were inserted by the **Finance Act, 2025** (Act 7 of 2025), s. 125 (w.e.f. **1st April, 2025**). This aligns the ISD provisions to cover reverse charge services under both the CGST Act and the IGST Act.

Section 21. Manner of recovery of credit distributed in excess.

(5) A registered person shall be entitled to take, in his electronic credit ledger, credit of eligible duties and taxes in respect of inputs or input services received on or after the appointed day but the duty or tax in respect of which has been paid by the supplier under the existing law, within such time and in such manner as may be prescribed, subject to the condition that the invoice or any other duty or tax paying document of the same was

 **LEGISLATIVE NOTE:** "whether the invoices relating to such services are received prior to, on or after, the appointed day" was substituted for "even if the invoices relating

to such services are received on or after the appointed day" by the **Finance (No. 2) Act, 2024** (Act 15 of 2024), s. 147 (w.e.f. **1st July, 2017**) — with retrospective effect.

(8) Where a registered person having centralised registration under the existing law has obtained a registration under this Act, such person shall be allowed to take, in his electronic credit ledger, credit of the amount of CENVAT credit carried forward in a return, furnished under the existing law by him, in respect of the period ending with the day immediately preceding the appointed day within such time and in such manner as may be prescribed:

Provided that if the registered person furnishes his return for the period ending with the day immediately preceding the appointed day within **three months** of the appointed day, such credit shall be allowed subject to the condition that the said return is either an original return or a revised return where the credit has been reduced from that claimed earlier:

Provided further that the registered person shall not be allowed to take credit unless the said amount is admissible as input tax credit under this Act:

Provided also that such credit may be transferred to any of the registered persons having the same Permanent Account Number for which the centralised registration was obtained under the existing law.

(9) Where any CENVAT credit availed for the input services provided under the existing law has been reversed due to non-payment of the consideration within a period of **three months**, such credit can be reclaimed within such time and in such manner as may be prescribed, subject to the condition that the registered person has made the payment of the consideration for that supply of services within a period of **three months** from the appointed day.

(10) The amount of credit under sub-sections (3), (4) and (6) shall be calculated in such manner as may be prescribed.

Explanation 1.— For the purposes of sub-sections (1), (3), (4) and (6), the expression "eligible duties" means—

- (i) the additional duty of excise leviable under section 3 of the Additional Duties of Excise (Goods of Special Importance) Act, 1957 (58 of 1957);
 - (ii) the additional duty leviable under sub-section (1) of section 3 of the Customs Tariff Act, 1975 (51 of 1975);

- in respect of inputs held in stock and inputs contained in semi-finished or finished goods held in stock on the appointed day.

- (ii) the additional duty leviable under sub-section (1) of section 3 of the Customs Tariff Act, 1975 (51 of 1975);
